New York State Department of Health
National Institute for Occupational Safety and Health (NIOSH)
New York State Department of Labor Hazard Abatement Board

NYCAMH

A program of Bassett Healthcare

Established by the New York State Legislature in 1988. Recognizing the unacceptably high rates of occupational injury and illness in New York's largest industry, the legislature has charged NYCAMH to provide:

- Research into the causes and prevention of agricultural injury and illness
- Education and prevention activities within the farm community
- Education of professionals serving the farm community
- Clinical help for farm-related health problems

New York Center for Agricultural Medicine And Health

On-Farm Safety Program

“Enhancing agricultural and rural health by preventing and treating occupational injury and illness.”

On-Farm Safety Program

One-on-one farm visit to assess safety needs. Survey includes:

- Farmstead
- Buildings
- Shop
- Tractors and machinery
- Family and worker safety

Benefits

- Creates a safer work environment by identifying hazards
- Assists farm owners in setting safety goals
- Provides a resource manual, certificate and SMV emblem upon completion
- Demonstrates commitment to a safe workplace

On-Farm Safety Training

Training sessions are tailored to your safety needs.

- Conducted on your farm at a convenient time
- Topic is specific to your operation
- Bilingual training and materials are available

Benefits

- Demonstrates your commitment to family and worker's health and safety
- Can help you fulfill USDA, OSHA and EUREP GAPS requirements
- Gives family members and workers needed knowledge to safely perform jobs
- Provides resource material as requested
- Provides training roster for your records

Safety Training Topics:

- Skidsteer
- Forklift
- Mechanical Hazards
- Personal Protective Equipment
- Animal Safety
- Safe Lifting and Carrying
- Worker Protection Standard
- Packing House/Processing Line Safety
- Personal Hygiene
- Hazard Communication Standard (Chemical Safety)
- Tractor and Machinery

Additional topics upon request.

Services are free of charge, voluntary and completely confidential!
