- Silo Gas and Respiratory Hazards
- Safe Bending and Lifting
- Personal Protective Equipment

Progressive Farmer Day Camps

The New York Center for Agricultural Medicine & Health (NYCAMH) promotes safe and healthy farming for children by working with *Progressive Farmer* in conducting Farm Safety Day Camps. *Progressive Farmer* is a national farm publication located in Birmingham, Alabama that sponsors safety day camps across the country. NYCAMH staff has coordinated *Progressive Farmer* Safety Day Camps in the Central New York Region since 1997.

Progressive Farmer trained coordinators are on staff at NYCAMH. NYCAMH has also taught farm safety topics to children attending *Progressive Farmer* Day Camps in Ulster, Lewis, Oneida, Herkimer, Jefferson, and St. Lawrence counties.
